

PATIENT OF THE MONTH

JULY 2022

Trisha Gielda

Our patient of the month is Trisha!

Trisha was nominated by her PTA Robin for always having a great attitude and always being a hard worker to improve.

She is coming to therapy for low back pain and lower extremity weakness. Since coming to therapy she is now able to play outside with her dog and have more confidence in performing her daily tasks. Trisha picked Paramount because she has come here before and initially heard great things about us. She states she is very happy with her results and will come to us again if needed!

Congratulations Trisha from all of us at Paramount Rehabilitation Services! We are so proud of you!

Keep up the great work!
